To the extent permitted by law, THE ABOVE-STATED LIMITED WARRANTY REPLACES ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AND LICENSOR DISCLAIMS ALL IMPLIED WARRANTIES INCLUDING ANY IMPLIED WARRANTY OF TITLE, MERCHANTABILITY, NONINFRINGEMENT, OR OF FITNESS FOR A PARTICULAR PURPOSE. No agent of Licensor is authorized to make any other warranties or to modify this limited warranty. If the law does not allow disclaimer of implied warranties, then any implied warranty is limited to 60 days after delivery of the Software to Licensee. Licensee has specific legal rights pursuant to this warranty and, depending on Licensee's jurisdiction, may have additional rights.

Licensee's jurisdiction may not allow such a limitation of damages, so this limitation may not apply.

7. Licensee agrees to defend and indemnify Licensor and hold Licensor harmless from all claims, losses, damages, complaints, or expenses connected with or resulting from Licensee's business operations.

8. Licensor has the right to terminate this License Agreement and Licensee's right to use this Software upon any material breach by Licensee.

ColorLogic GmbH licensing agreement

PLEASE READ THIS LICENSING AGREEMENT ("LICENSE") CAREFULLY.
IF YOU DO NOT AGREE WITH THE LICENSING AGREEMENT, RETURN THE
COLORLOGIC SOFTWARE TO WHERE YOU BOUGHT IT (IF NECESSARY).

1. License.

The Licensor is ColorLogic GmbH. However, if the latter has a subsidiary in
the country in which you purchased the license, this subsidiary is the Licensor.
The Licensor hereby grants you the right of use for the enclosed software
including the documentation (hereinafter referred to as "Software"), regardless
of whether this is saved on a disk, a CD-ROM or other data carrier. Only the
data carrier on which the Software is located passes into your possession;
ColorLogic GmbH and/or the Licensor(s) of ColorLogic GmbH remain(s)
the proprietor(s) of all rights of ownership or other rights to the Software.
Your right of use to the Software is determined by this Licensing Agreement;
all copies of the Software are also subject to this Agreement.
The files created by the Software may only be used by the Licensee of the
Software. Transmission of the files, regardless of whether free of charge or for
remuneration, requires the express written approval of ColorLogic GmbH.

2. Usage and restrictions.

The Licensor hereby grants you the simple, non-exclusive right to install and
use the Software within your working environment; you are authorized to save
the Software on only one computer at any one time. You are authorized to
create a machine readable copy for backup purposes. You are obliged to record
the copyright and other protective rights notices contained on the original
on each copy of the Software. You undertake not to (1.) decompile, reverse
engineer, disassemble or otherwise bring the Software into a form discernable
to persons, (2.) modify, adapt, translate the Software or create works derived
in whole or in part from the Software, (3.) otherwise pass on the Software to
third parties free of charge, or (4.) transfer the Software via a network from
one computer to another unless permitted by this Agreement or binding
legal provisions.
You are authorized to pass on/sell the Software to a third party no more
than once. In this case you must hand over all copies you have made of
the contractual Software to the buyer or acquirer, or delete them. Further
processing or sublicensing requires the consent of ColorLogic and is to be
remunerated accordingly.

34

THE SOFTWARE MAY NOT BE USED FOR OR IN CONNECTION
WITH THE OPERATION OF NUCLEAR POWER PLANTS, AIRCRAFT,
COMMUNICATION SYSTEMS OR FOR FLIGHT MONITORING; IN SUCH
CASES, A FAULT IN THE SOFTWARE CAN LEAD TO DEATH, INJURY OR
SERIOUS DAMAGE TO PROPERTY AND THE ENVIRONMENT.
Should you fail to observe these restrictions, you shall no longer be
authorized to use the Software, even if the Licensor has not yet terminated
this Agreement.

3. Warranty.

Faults in the Software cannot be ruled out. The Licensor assumes liability
only within the legal provisions. A period of limitation of six months from
delivery of the Software shall apply. The warranty shall be fulfilled exclusively at
the discretion of the Licensor by repair or replacement delivery. Should repair
and/or replacement be unsuccessful, you may demand either a reduction of
the license fee or annulment of the Agreement. No warranty shall be given for
Software which has been changed, expanded or damaged unless the change,
expansion or damage was not responsible for the fault.

4. Damages.

The Licensor and its employees or agents shall only bear contractual or
non-contractual liability for damages if the damage is attributable to gross
negligence or intent. Further binding legal liability remains unaffected. The
liability of the Licensor is restricted to the pecuniary losses which it could have

foreseen as a possible consequence of contractual violation upon conclusion of the Agreement, unless the damage is attributable to gross negligence of a body or one of the leading employees of the Licensor or to intent. Under no circumstances shall liability be assumed for loss of data, unless this loss could not have been prevented by regular – in commercial business that is to say daily – backup of the data in machine readable form. Furthermore, no liability shall be assumed for damages caused by other failings of the Software which could have been prevented by regular, prompt checks of the processes. Unless claims for damages expire by limitation earlier under law, they shall expire – with the exception of claims arising from unauthorized handling and under the Product Liability Act, in the event of malice or furnishing of a warranty – no later than one year after delivery of the programs.

5. Export.

You confirm that the Software shall only be executed under consideration of all applicable export provisions of the country in which you acquired the Software.

35

6. Applicable law and separability.

If ColorLogic GmbH has a subsidiary in the country in which you acquired the license, this Licensing Agreement is subject to the law of this country. Otherwise this Licensing Agreement is subject to Federal German law. The ineffectiveness of individual provisions shall not affect the validity of the remaining provisions of the Agreement.

7. Completeness.

This Licensing Agreement contains the entire agreement between the Parties with regard to the license and replaces all prior verbal or written agreements. Amendments and additions to this Agreement shall be made in writing.
