At the end of the trial period the Trial Software will deactivate and, unless you have paid for a full license to the Trial Software, you must discontinue use of the Trial Software and remove the Trial Software from any device upon which it has been loaded or installed. ## **II. PROVISIONS APPLICABLE TO SOFTWARE (FULL VERSION)**

### **1. LICENSE GRANT**

1.1 Nuance grants to you a non-exclusive, non-transferable license to use the licensed Software and the accompanying documentation for your own internal business purposes in perpetuity, provided you remain compliant with, the terms and conditions of this Agreement. Certain Software and/or components thereof may be subject to certain use or capacity restrictions as set forth in its accompanying documentation. For clarity, for all peripheral devices (scanner, Multi-Function Device (MFD), mobile, desktop etc.), with either a direct integration or indirect integration (including but not limited to email, folder, and cloud), you are required to purchase device connectivity licenses (user licenses, device licenses or file import licenses, as applicable) regardless of the media, method, protocol or form of transmission used by such peripheral devices to send data and images to the Software. Any connectivity licenses provided to you by Nuance will be subject to the terms and conditions of this Agreement, unless the parties expressly agree otherwise. For clarity, if a particular license is of a type that is assigned to a named user (such as a desktop license to connect to a scanner), then

that license, and the instance of the Software covered by such license, may not be shared or used by multiple users, irrespective of whether such use is simultaneous, even if such other users also have access to the licensed device (via a LAN or otherwise). Notwithstanding the foregoing, a single named user may access the Software from multiple devices, as specified in the documentation. Notwithstanding the foregoing, the Software may only be used by the single named user. If the Software is an upgrade or a trade-up or an update that makes the existing version of the Software duplicative, you are authorized to use the Software only if it is covered by a current maintenance agreement and you are an authorized user of a qualifying product or prior version of the Software entitling you to such upgrade or trade-up as specified by Nuance and provided you (i) either delete the qualifying product or install the Software on the same computer or logical network location as the qualifying product and (ii) do not transfer the qualifying product to any other person or entity.

1.2 You can make a copy of the Software only for backup purposes. Your backup copy of the Software must include and retain all confidential, proprietary, patent, copyright and/or trademark notices contained on the original copy of the Software.

1.3 This license is not a sale. Title and copyrights to the Software (including any backup copy) will at all times reside exclusively with Nuance and/or its licensors. You have no rights to the Software other than the license granted herein. This means that you may not create derivative works of the Software, or attempt to decompile or reverse engineer the Software or permit third parties to do so, except to the extent required to obtain interoperability with other independently created software as explicitly permitted by law. You may not distribute, alter or modify nor cause or allow others to alter or modify the Software. Except in accordance with the license granted to you or as otherwise approved in writing by Nuance, you may not transfer or distribute this license or your original or any backup copy of the Software to another computer or to any other person or legal entity. If the Software contains software developed by a third party, such third party shall be considered a third party beneficiary of your restrictions and obligations under this Agreement.

1.4 You agree not to provide or otherwise make available the Software to anyone other than your employees and agents making normal licensed use of the Software.

1.5 Software may not be used in any timesharing, Internet or service bureau-type use or distribution without explicit prior written permission from Nuance in each specific instance.

1.6 You will not register or use any internet domain name which contains Nuance's or its licensors' trademarks in whole or in part or any other name which is confusingly similar thereto.

1.7 File Import. If You license the component of AutoStore known as File Import, you are authorized to perform up to Sixty Thousand (60,000) page conversions per year per license acquired. Such amount represents the normal capacity of a single File Import license. Additional capacity is available from Your original place of purchase.

1.8 You will indemnify and hold Nuance and its licensors harmless from all loss, damage, expense or liability in connection with your use of the Software.

## **2. WARRANTY AND DISCLAIMER OF WARRANTY**

For ninety (90) days from the date of Nuance shipment, Nuance warrants that (i) the Software will substantially conform to the applicable user documentation; and (ii) that the media on which the Software is distributed and the user documentation (if any) are free from material defects in materials and workmanship. Nuance will, at its option, refund the amount Nuance received for the Software or provide you with corrected items at no charge provided that the defective item(s) is returned to Nuance within ninety (90) days from the date the Software is shipped by Nuance. Any misuse or unauthorized modification of the Software will void this limited warranty. Nuance and its licensors do not warrant that the operation of the Software will be uninterrupted or error free.

ALL IMPLIED WARRANTIES AND CONDITIONS (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ARE DISCLAIMED.

## **3. LIMITATION OF LIABILITY/ DISCLAIMER OF CONSEQUENTIAL DAMAGES**

NUANCE'S LIABILITY TO YOU FOR DIRECT DAMAGES WILL NOT EXCEED THE PURCHASE PRICE YOU PAID FOR THE SOFTWARE. IN NO EVENT WILL NUANCE OR ITS LICENSORS BE LIABLE TO YOU FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES (INCLUDING BUT NOT LIMITED TO DAMAGES RELATED TO DATA LOSS, LOST PROFITS OR BUSINESS INTERRUPTION) IN ANY WAY ARISING OUT OF OR RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT. THE LIMITATIONS OF LIABILITY SET FORTH

HEREIN MAY NOT APPLY IN CERTAIN JURISDICTIONS AND THUS MAY NOT APPLY TO YOU; IN SUCH CASES, NUANCE'S AND ITS LICENSORS' LIABILITY HEREUNDER SHALL BE THE MINIMUM REQUIRED BY LAW.

#### **4. SUPPORT**

Except where you have agreed to a support and/or maintenance agreement Nuance, Nuance and its licensors are not responsible for maintaining or helping you to use the Software, and are not required to make available to you any updates, fixes or support for the Software.
